

KNOW
YOUR
TOWN

To educate and participate

Founded in 1947 by Margaret Saunders, Know Your Town (KYT) is a nonpartisan organization that seeks to acquaint townspeople with the resources our town has to offer and the various issues and functions of town government .

Know Your Town works to assist in any way possible the progressive development of South Hadley. Fields of special interest include: education, recreation, public health, mental health, town planning, registration and elections, and state legislation affecting our town.

Candidates' Nights and issue forums are one of the major services provided by KYT. Held before local, state, and national elections to familiarize citizens with candidates and ballot questions, the events are also broadcast on local cable channel 15. In addition, Know Your Town has been instrumental in developing a Town Meeting Guide for Town Meeting members.

Know Your Town sponsors the Ann Battersby Scholarship, which is awarded annually to a promising local high school student. Scholarship donations are always welcome.

Events are held at locations throughout town, providing a unique forum for visiting and learning about community resources, businesses, and places of interest. KYT information and education programs are free of charge, and open to the public. Additional special events and social programs, such as our annual legislative review and progressive dinner, are available to members.

Know Your Town offers an opportunity to learn more about South Hadley, to meet neighbors and make new friends, and to share in supporting our community and its citizens. Members are encouraged to help develop ideas, and plan and promote programs and activities which address the needs of South Hadley's residents.

Membership is open to any person with an interest in the future of South Hadley who shares an interest in our objectives. Participation may be as little or as much as you can give.

Please join us!
